Mayor Cruzan Lead the Flag salute.

Mr. Burton prayed for guidance and wisdom

Minutes approved (Burton, Shivers) as sent out.

Correspondence was read, no action taken.

Mr. Napuda explained to the Committee affordable housing in Stow Creek. He believes since Stow Creek does not have water, sewer, or public transportation in the Township, the desire to develop a low income housing unit is low. To become certified, the Township would expend a lot of funds to do so.

The Mayor noticed huge potholes on Stow Creek Landing Road. He contacted Homan Contracting to repair ASAP since this is a safety issue. He also reviewed the washout on Cruzan Road along with the Engineer; the conclusion was that it needs to be addressed ASAP.

Mr. Burton reported that roadside mowing has begun, and the Ewaste building has been emptied. He also said the dilapidated properties are being addressed.

Mr. Shivers asked about the flooding issue on Geisinger. Mr. Burton said he would contact the Engineer and review.

The Clerk said a PO had been issued for the signage on Casper Road.

The Solicitor spoke about the English Sewage about wrongful excavation. He said that they would remedy the issue ASAP.

Chief Mayhew reported he would need a letter of intent sent to Hopewell Township in regards to purchasing the Fire Truck.

The Treasurer submitted the Treasurers report electronically, a motion was made (Shivers, Burton) to pay the bills and adjourn the meeting.

Respectfully submitted,

Ron Campbell Sr. RMC
